# BRITANNIA SQUARE RESIDENTS' ASSOCIATION NEWSLETTER – SPRING 2018

## Street Spring Clean on Sunday 13 and Monday 14 May

Our award-winning Street Clean is now in its sixth year and we are delighted that the City and County Council are able to support it again this year. Thanks to your efforts each year to move your cars off Britannia Square and Albany Terrace on the Sunday and Monday, the Council teams have been able to deep clean the streets and gutters and clear out all our drains. This has led to water logging being significantly improved in recent years. Information and free Parking Permits for Pitchcroft Car Park will be distributed before the event.

On **Sunday 13 May** please join us from 3 pm at the United Reformed Church for sweeping and weeding. Equipment will be provided and children are especially welcome.

Anna Hooper received this certificate on our behalf at the Take Pride in Worcester event at The Guildhall in Jan 2018. It was awarded in recognition of our residents' efforts in the street clean.

## The Summer Party at RGS Springfield on Sunday 24 June

Everyone is welcome to the Summer Party on **Sunday 24<sup>th</sup> June from 12 noon**. Please bring a picnic, rugs and chairs. The party is free and everyone living in Britannia Square, Albany Terrace and Stephenson Terrace is invited. Thank you to RGS Springfield for letting us enjoy their gardens and school hall. There will be plenty of outdoor games and the party will take place whatever the weather. If you are able to organise games and races please let one of the committee know.

If you are new to the area, we all want to meet you. Please come and bring your family and friends. It's a great opportunity for neighbours to get together for a relaxing afternoon.

If you have any feedback, or would like to get involved, then please do get in touch.

## BSRA's General Data Protection Regulation (GDPR)

The General Data Protection Regulation (GDPR) which comes into force on 25<sup>th</sup> May 2018 requires the Britannia Square Residents' Association to confirm with the residents how we may communicate with them and to publish our Data Policy about what data we keep about them and how we use it and protect it.

Our normal communication is by unaddressed leaflets hand-delivered to every household, such as our newsletters and invitations to our events. As these are not personalised and do not depend on any data we may have about you, these are unaffected by the GDPR and will continue unchanged.

Communications sent by email such as urgent Neighbourhood Watch information, invitations to Wine Club events, etc. are based on lists of residents who have opted in to receive these messages and are affected by the GDPR. We need to record your explicit consent for us to continue to send you these emails. You are all most welcome to opt-in to receive these messages. We may also send you other emails in the future with information relevant to the Association and in accordance with our Constitution. Any changes to this communications policy or the Constitution must be approved by the residents at an AGM of the Association.

The BSRA does not intend to contact residents by telephone. We will publish our Data Policy at [www.britanniasquare.org](http://www.britanniasquare.org) This Policy has been approved by the BSRA Committee, and will be discussed at the 2018 AGM.

Two copies will be provided to allow for two household members who wish give their consent or may prefer differing consents.

**The copy of the Data Consent Form (copy below) will be delivered to you shortly and should be returned to the Secretary asap: Ian Terry, 14 Albany Terrace**

## GDPR Policy Document

1. This policy document describes how the Britannia Square Residents' Association (BSRA) will handle personal data so as to comply with the General Data Protection Regulation (GDPR).
2. The elected and co-opted Committee Members of the BSRA may hold personal data on behalf of the BSRA. The principal data holder is the Secretary. The contact details of the Committee Members are published in our newsletters. The email address of our Secretary is published on the Contact Us page at [www.britanniasquare.org](http://www.britanniasquare.org).
3. The BSRA only holds personal data for the specific purposes of the BSRA as defined in its Constitution and for the purposes expressed by our residents, for example their BSRA membership status, and for specific consents to receive emails. This data may consist of the residents' names, addresses and email addresses.
4. The BSRA holds personal data in accordance with good practice standards of personal domestic data security. It is backed up in a secure encrypted format to an external commercial service.
5. The BSRA will not release any residents' personal data to any third parties without the explicit consent of the resident.
6. The BSRA sends emails in such a way that the email addresses of other recipients are not visible.
7. The BSRA will retain residents' personal data for as long as the resident lives in the area of the BSRA, namely Britannia Square, Albany Terrace and Stephenson Terrace, or until the resident requests that their data is amended or deleted. This may be done by contacting the Secretary or any other Committee Member.

## BSRA Historical Photographic Record Project

This Spring we continue to focus attention on our photographic project (BSHIP), with the aim to gather as many images of the area as possible and to make them available on our website.

A second batch of photographs from those supplied by the Historic Environment Record is being prepared, which includes some very atmospheric, monochrome images of Stephenson Terrace. We hope to publish these within the next few months.

We are also currently researching and preparing a list of photographs of Britannia Square taken by R.H. Sargeant and H. Sargeant, in order to try to acquire copies from the copyright holders. We believe that the Sargeants were commissioned to make a photographic survey of the area in the 1950s.

**Should you have any suitable photographs**, including snap-shots of local events, buildings, the environment or people who have lived in the area, and would be willing for them to appear within the website gallery, please contact a member of the committee.
